PRESIDENT'S MESSAGE

August, 2017

Wow, it is good to be home. Patti and I pulled into the driveway today (Sunday) at the end of our six week, 8,700 mile motorhome trip to Alaska. I know that several of you folks have done this trek already, and now I have a newfound respect for those that have done so. I am happy to report that our RV and tow car completed the trip with only one mechanical problem that I was able to repair myself in one day for \$32.00. Of course we also received the obligatory cracked windshield on the motorhome, but I was warned it would happen.

During our trip we took the opportunity to visit with some former OTHG members who moved away over the years. In Coeur d'Alene, Idaho we saw Roy Chisholm who was with the club from '75 until '89 and hosted the legendary New Year's Day Party before Patti and I took it over in '90. Roy still owns his blown T-bucket and a pretty '51 Ford convertible. In Grants Pass, Oregon we stayed with long time members Al and Charlie Hammersly and also visited with Ralph and Marcie Kappner. Ralph just missed being a Charter Member of the OTHG by a couple of months back in the old days. I'm happy to report that all of these great people are doing well and still building and playing with hot rods.

These visits really reminded me of the wonderful friendships that Patti and I have made in the OTHG over the years. While there have been times when issues and disputes within the club have strained relationships, in the end the friendships have endured and the unpleasant memories faded away.

Vice President Steve Cushman kept me informed of happenings with the club and oversaw the meeting and election last month. Thanks Steve. I'm pleased to welcome Debra and Bruce McDowell as our STREAK 45 chairpersons. I know they will do a great job. I would also like to thank Ralph Garcia for stepping up as a candidate for the position, one of many he has held in the past.

I hope you are all enjoying your summer. I know the weather has been hot, but this is the rod run "season" so get out there and drive 'em!

Bill Hogue, President

Subject: Qualcomm IS Closing

I have gotten word that Qualcomm is closing forever. They can't afford to operate any longer

I'm working on a video that will document the last of the cars shows/races/swap meets/concerts at The "Q"

Obviously this will take some time as there will be events there for another 18 months or so but - I'll release a shorter video of each final event as they occur. Not sure if you want to share them - some will be car related and others not - the 1st episode of "The Last At The Q" is the car show they had sat here's the link if your interested - will send em to you as I make em - you can share em all - none or some - up to you but it is heart breaking :(here's episode #1
