July Presidents Message

I want to apologize to all of you for not having a July meeting. Although I received permission to use the bingo hall on July 11th back in June, I received an email from McAllister the Friday before the July meeting stating that we could not use the bingo hall due to one of their graduations. So rather than attempt to have the meeting in another location which would have added to the confusion, I decided to just cancel the July meeting. If you didn't get the word and went down to McAllister. I am sorry but this couldn't be afforded and it was out of my control.

The tech night at San Diego Gear and axle proved to be very informative and a great success! Man, I think it was one of the largest showing ever of our members.

LA Roadster Show has always been one of the premier shows and it was great seeing a lot of our members there along with several of our STREAK sponsors. The weather was good and so were the eats.

I really enjoyed Over the Hill Night at Cruise Night in Escondido. Lots of members cars and we filled up not only the pizza restaurant but the sidewalk as well where we were parked. Our members looked good and we represented our Club very well.

And man, the Cops and Rodders Show keeps getting bigger and bigger every year. The weather was perfect and it was nice and cool being close to the ocean. Several of our members and I mean several won awards.

I've been driving my 32 fixing the bugs and it is running real well. I am driving it more and more.

I will see you all at the August meeting!
Till then, Take Care and Drive SAFE!

We have Movie Celebrities Among us!!

Al Pahio and Jimmy Payne were asked if their cars '31 Ford Coupe & '37 Dodge Bros could be used in an upcoming film project called "GENIE BOOT CAMP" by Hunter Productions. Hunter Productions have won the Best of the Best Awards for their film projects for the last two years and won the Audience Award at the red carpet screening Monday. Jim and AL arrived at 11:30am. at a location in the Bankers Hill area, Sat June 2nd. where they were staged for various shots, Jim had to do his car first as he had another commitment that day. Al was next and they did several filming episodes with his '37 Dodge Bros. coupe. It was a very interesting adventure if you ask AL and his wife Gail. Jim and Al were given (2) tickets to the film screening in Poway and a copy of the movie on DVD. So don't forget to ask them for their autographs before they get famous and start charging you for their signatures! Sounds like they had a great time

Here's a story about our OTHG Vice President

Before Larry and Denise Hume left on vacation this month, Denise sent Larry to the store. She said, "Larry, go to the store and get me a gallon of milk. And if they have some eggs, get me 6." So, Larry being the perfect husband that he is goes to the store and gets Denise 6 gallons of milk. When he gets home, Denise asks him, "Why did you get me 6 gallons of milk?!" Larry's response was "You said if they had some eggs to get 6."

A question from Bill Sanders

Bill Sanders was trying to get caught up on reading some past Streetscene Magazines. He started reading April 2012 and was shocked to see the 2 page article Where Were you in? See pages 166 and 167. It showed OTHG San Diego hosting Street Rod Nat's West at Del Mar, then checking out the pictures; there he was in the Wheelbarrow Race pushing the Wheelbarrow. We got out the magnifying glass and yes for sure it was Bill at the young age of 29.

Question to the Old Timers, who was at the 1975 Nat's event, may recognize who Bill was pushing in the Wheelbarrow. It will be interesting if anyone can come up with this person... wbcathie@poncacity.net

June's Tech Night

On June 19th Steve Zimmerman owner of SAN DIEGO GEAR AND AXLE put on a tech night for more than 40 Over The Hill Gang members who drove their HOT RODS. Mike Smith, shadow member and Drag racer extraordinaire, was the chef for our gourmet dinner of hot dogs, chips and drinks and huge cookies. Steve explained the difference between different number of splines on the axle, gear ratio and wheel and tire size. He also told us why you should not use gears made for racing in street cars or gears made for street cars in race cars.

Bryant Morris, who has been in business with Steve from the start, has opened a separate business within the same building where he is doing everything from fabrication to complete builds of hot rods and muscle cars.

After a lively question and answer period we ended the meeting at around 7:00 pm but it seemed like nobody went home. Most stayed and talked to Steve, Bryant and Mike for a half hour or so, guess a good time was had by all. If you need something made or a complete rebuild of your car call Bryant. If you need more get up and go, better mileage or repairs give Steve a call. **SAN DIEGO GEAR AND AXLE, 1488 Pioneer Way #9, El Cajon. 1-858-449-5656**

Cruisin' Grand in Escondido

On June 29th OVER THE HILL GANG made their presence known at the **Cruisin Grand Show in Escondido**. Over The Hill Gang, San Diego – North County had reserved parking on Broadway and Grand Ave and they invited all chapters of OTHG to join them. I saw shirts from Apple Valley, Temecula, San Diego and of course North County. The San Diego Chapter had 18 cars after 4 of our members joined in after attending the Club run to the Fair. I would guess that we had over 50 cars as Broadway was filled. Most members walked across the street to Felipe's Italian restaurant, but a few of us found the Irish Pub. All had lots of food. BOB CHAMBERS was a WINNER!!!!!!!!!!!!!! By 7:30 pm, we were all headed home. Great weather, show and friends. Thanks North County for the invite.

Note from Friends of the RSD Library

Thank you to the Over the Hill Gang members that came to the Celebration Festival on Saturday, June 30th. We had 9 streetrods in total and it was a beautiful day. Attendees who brought their cars were Jim & Denise Payne, Tony & Sally Bartz, Joe & Paula Pifer, Ronnie Adair, Ed & Jan Sawyer, and Bob Chambers. The Friends provided a light lunch and the Library furnished yummy cake decorated with the American Flag. It was a fun way to spend some time with our members and watch the visitors enjoying our cars and taking pictures of them.

Have a wonderful summer!
