March 2016 President's Message

Hi Gang!

I want to thank Club members Mike Newell, Ed Witek, and USS Midway Docent Emery Bishop for the outstanding tour of the USS Midway. We had about 45 to 50 members in attendance and were able to go on board an hour before it was open to the public. If you have never been on the Midway you have missed a very unique look at history. Ed was able to take us into an area of the ship that he and some other volunteers are refurbishing and is not open to the general public. Mike & Eddie were able to arrange it so the money for admission paid by the Gang members in attendance was donated to STREAK 43 raffle. \$340.00 was raised and "Raffle Master" Larry Hume was able to purchase a Jensen, 7" Single Multimedia Receiver with DVD/NAV/Sirius XM-Ready/Compatible with iPod/Pandora Link/USB/Aux In as a Grand Raffle prize for STREAK 43. Thanks again guys for a job well done!

Speaking of STREAK 43... just a reminder, Larry will be accepting your donated Raffle Baskets starting at the March meeting. If your basket has perishables in it just let Larry know and you can bring it Friday to the STREAK. Thank you for your help with this.

The BIG 3....what fun! Three day of beautiful San Diego sunshine, good friends, and bargains galore!!!

Now that the Big 3 has come and gone it is time for all of us to focus on going to Goodguy's 16th Meguiar's Del Mar Nationals. Remember to let Mike Newell know if you wish to work or if you have any change of plans. Also, you can work a second shift if you wish. Please check the attached work schedule for your assignment.

REMEMBER...get out and drive-em!!!

Madam Pres., Denise

USS MIDWAY CV 41 PUTT Saturday, February 21st

Mike Newell and Ed Witek left the IKEA parking lot in Mission Valley and I left the LIPS in Lemon Grove at 8:15 am with a total of 34 cars and about 70 people. With only a short 10 minute drive to the USS MIDWAY we were on the pier (paid parking lot) at 8:30. Mike, Ed and Classic Chevy member Emory Bishop met us at the pier and escorted us onboard. From the MIDWAY looking back on 34 street rods sitting on the pier was a sight seldom seen. We split up in three groups, Ed taking one group to the Combat Information Center (CIC) where he has been working for many months. CIC is the eyes and ears of the ship and Ed is helping restore it to original appearance. Mike, an Aircraft Carrier expert, took his tour on the Hanger Deck and Emory who is also retired Navy took us to the engine room. After all three groups had been on all three tours, we returned to the starting point and Mike took us all for a very informative hour long tour of the flight deck. Mike spent most of his Navy career in the Carrier Navy and knows every facet from munitions to catapults. By noon we had completed all 4 tours and were off to watch the Daytona 500 on our DVR. Great tour on a great day. Thanks, Mike, Ed and Emory!!!! Joe p
