May 2014 President's Message

Hi Gang!

I want to start by thanking Martin, Ed, Mike and all of you that helped at the Goodguys Rod and Custom show. They had over 1,800 cars, etc. participate in the 3 day event. They had a record number of cars for indoor parking and filled all 3 buildings.

May is here and so is Mother's Day and Streak 41. I want to thank those of you who have donated Raffle Baskets for this year's event. It is not too late to bring a basket to the May meeting or Friday morning at the Streak. Just give it to me at the meeting or let me know that you are bringing it to the Streak. ***Freedom Station & San Diego Rescue Mission Thank You!***

The Gang was asked by the "South Bayfront Sailing Association" if we could bring 5 or 6 cars to display at their open house at the "J" Street Pier in Chula Vista. Their centerpiece is a 137' schooner called "*Bill of Rights*". The schooner has only been docked in Chula Vista for 6 months and the association is working on becoming a 501c3. We were asked if we would like to be part of a crew that would sail her the next day. We all passed.

I want to thank Guy & Esther Allen, Chuck & Jenny Bush, Teri Mendez, Curtis & Marie Morrow, Everett & Sue Shackelton, and me for volunteering their car and time. If you would like to be part of our community service group that does other things than car shows, let me know and I will put you on my list to call next time we are invited to a community activity.

Last but not least just a reminder about the car show "*Those Summer Nights*" put on by Tierra del Sol Middle School Drama Dept. (in Lakeside) May 31st from 12-5PM. For more information contact "Grandpa Bruce Gall"

FREEDOM STATION VOLUNTEER RECOGNITION EVENT

On April 26 our president Denise Hume, the Morrows and Stephens had the pleasure of representing Over the Hill Gang San Diego at the Freedom Station volunteer recognition event. I'm very proud to know that our club has provided the Freedom Station with donations of labor and money (Streak charity) for improvements to the facility, but until I actually saw this complex and met the troops recovering there and all the volunteers who make it happen, I had no idea what an amazing program this is. We were able to tour the weight room and workshop that are equipped with OTHG donations; We saw the woodwork repair and painting done by our members and the cottage that was upgraded to ADA compliance. We met some of the championship Wheelchair basketball team, the Wolfpack. Marie and I each tried on a prosthetic leg and tried walking with it.... no easy feat.

The day was very rewarding for all of us. It really personalized the support that our club is giving to this very worthwhile cause. I encourage all of you to see Freedom Station for yourselves. You'll leave with a greater understanding how OTHG SD is so much more than just car club.
