March 2011 President's Message

The time is here! 66 (sixty six) DAY MARATHON!!!! I call it the 66 day marathon because each of us in the Club will be going a hundred miles an hour for the first half of the hot rod season. From now till the end of STREAK38 is 66 days. Get it? For me, the official start of car show season starts with Midnight at the Oasis in Yuma, Arizona. I don't know about you but I am glad it's here and starting. Between now and the STREAK, the members of this Club will be attending some of the best shows around. Local shows almost every weekend pick up the pace along with the big shows like Del Mar, NSRA Bakersfield and the STREAK. All within 66 days! Cruise Nites start picking up with the start of Escondido soon and it will actually never end till November. Time sure flies and before you know it the L.A. Roadster show will be here.

Everybody is gearing up for the Big3 and a weekend of fun with friends. I am trying to get everything together as well. I hope it doesn't rain! Last year was crazy with all the rain at the Big3 so let's all say a prayer that the Big3 isn't a repeat like last year.

The NSRA Fellow Pages will include our Club again this year. I submitted member information who wanted to be part of the fellow pages. There were a total of 22 members (more than last year).

Our first Club Run was scheduled for February 19th but due to the rain it was cancelled. Not that the rain really mattered for us if you remember our last run but the owner of Carlsbad Auto Supply was going to feed us outdoors and that would not have made for a good day eating in the rain. And rain it did that day!! We will schedule another day after the STREAK sometime in May.

Please remember to check where you're scheduled for Del Mar and correct any mistakes while we are a month away from the show. And how about that STREAK38 committee! They are working hard to make this STREAK the very best. Be sure to look for volunteer sheets to be passed around at the meeting. It is the volunteers that make the show a success so we can't do it without you. Be sure and volunteer. And make sure you register for the show. Flyers will be available at the meeting or you can call or email me and I will send you one.

We'll see you at the shows and Drive Safe!

Bill went through his closet and found that he had 2 OTHG belt buckles (keeping one), selling Bronze, #75 if anyone wants to buy his other buckle.

Trying to remember back when we bought it and it had to be after 1981 when we had met. He is asking \$40 plus \$5.00 shipping. First one that says they want it and follows up with a check gets it. Perfect condition.
